3. GAMES

3.1 Cricket

- a) In a game of Cricket, an Overkill situation occurs when a team is ahead by 200 or more points. This means that no points are awarded even if the leading team hits a scoring number. As a matter of courtesy to your opponent, an Overkill situation is not advisable.
- b) In a TIE situation, where game ends at 15th round with both teams having the same score,
 - i. the player / team who closes all the houses wins the game, OR
 - ii. if all the houses are not closed, both teams will do a “Bulls-Up”, Home Team go first. The team with dart closes to center bull will win the leg. (Press P4 – Revise Winner and select Home Win or Away Win)

3.2 01

4. HANDICAP

- a) Handicap will be given based on rating difference between players. Advantage will be given to the lower rated player for parity.

For example:

GAME: 501	Rating	Begin game with
Player 1	7	501
Player 2	6	471

- b) Handicap will be auto calculated by the online league system.

5. SANDBAGGING

A sandbagger is a player who intentionally submits his/her rating (or allow to be submitted) at a much lower rating than his/her actual rating OR manipulates their game average(e.g. by throwing outs or intentional missing) to lower their rating, in order to gain advantage by way of handicap score or ranking position. Such action demeans the game, shows poor sportsmanship and damages the reputation of the League and all its players. The League Organizer does not condone such behaviour.

- (a) Team Captains are responsible to verify that his/her team members' ratings, as reported in the league, are accurate at all times;
- (b) Any team captain may file an official complain along with details of the offending player and description of the incident(s). Any evidence submitted (such as stats, other card rating, video/ picture) would also be useful
- (c) If the League Master discovers that a player has been sandbagging or playing with a rating that is drastically different than his True* rating, the League Master will exercise his/her rights to impose Sandbagging Penalties as follows:
 - i. The player will be immediately removed from the current league season and/or suspended for a minimum period of 3 months to a maximum of 12 months (for repeat offenders);

During the suspension period, offending player will be banned from joining all DARTSLIVE Official Leagues, games, events and/or national selections.

Although the player will be immediately removed from current league season, the player may remain in other ongoing league(s) (where applicable), subject to re-rate to *true rating and provided *true rating is within allowable division limit;

**true rating = rating at point of discovery*

- ii. All games played by the offending player will be reversed accordingly to the point of discovery of this offence:-
 - > the beginning of league, if discovered during the season's first half OR
 - > end of season's first half, if discovered during the second half of season
OR
 - > if player was added during window period, then all games played by the offending player since window period
- (d) Offending player will be disqualified and lose all awards, prizes and recognitions achieved during the league.
- (e) The Captain of such player may also be warned and/or asked to step down from being captain for the current or future league seasons, but may continue to play as a regular player in the current league season.
- (f) The Offending player or the team captain may file an appeal. The League management will only evaluate such appeal on a case-by-case basis.

- (g) Any player should request for a rating adjustment any time during the season, if their performance have improved much faster than their league rating. This will avoid the player from being caught or accused as a sandbagger.

League Progression is based on 2 results:

- a) Online League Standing at the end of the league -
Top teams of each group will be promoted 1 Division Up in the next Season;
- b) League Division Final -
Top Teams of each Division will be promoted 1 Division up in the next Season;
Bottom teams in each group demote 1 division down in the next season;
- d) Other teams remain in the same division in the next season;
- e) Promoted teams are not allowed to reject promotion to the higher division.

- g) League Management to decide on the number of teams based on the total size of the groups & divisions.
- h) League Management may request for changes to the number of top or bottom teams to promote/demote should the need arises. Selected teams cannot reject such requests.

11. MATCH FORFEITURES AND WALKOVER

- a) In a dispute situation, where a team forfeits, walkover or abandon a match without any valid (as deemed by League Master) reasons, the remaining un-played game(s) will be awarded to the opponent team as 2-0. Bonus points will be awarded to the winner.
- b) If an emergency develops during a match and the match has to be suspended, the home team captain must inform the League Master as soon as possible. The League Master will investigate and advise the teams of any decision.
- c) All league matches start at 8pm. Both teams should be present by that time to start the game.
- d) If a min. of 2 players per team are not present by 8.15pm but 1 player is present, then the team with insufficient players will lose the first single game. A grace period of 5-mins will be given for each subsequent game and if there are insufficient players to start subsequent games, each game is conceded with a 2-0 lost. This continues on until sufficient players are available to play a game or until all games have been "played".

Example:

8.15pm: The team with only 1 player will lose the 1st Single game and proceed on to wait for the remaining players to turn up.

8.20pm: The 2nd Game is lost again if the 2nd player does not turned up.

8.25pm: 2nd player turns up and the 3rd & 4th Games can proceed as normal.

- e) All league matches begin at 8PM sharp. If a team has no players present by 8:30PM, opposing team has the right to walkover the game, and be awarded a full win (9-0 for 9 games / 5-0 for 5 games). Bonus points will be awarded to opposing team.
- f) A "full" walkover is only given if none of the players of a team are present by 8.30pm. Walkover team will be penalized with:

Offence No.	Penalty \$*	Home Game Shop	League Organizer
1 st Offence	S\$100	\$50	\$50
2 nd Offence	S\$200	\$100	\$100
3 rd Offence**	S\$200 and disqualification	\$100	\$100

*Penalty amount will be billed to the penalized team's home shop and then shared with host shop and organizer

**On the 3rd Offence, the team will be immediately disqualified from the League and all players in the team will be banned from participating in the following league season.

- g) No Team Captain (even with the agreement of the other captain), is allowed to forfeit or walkover any games/matches without informing the League Master. Only League Master can call for a walkover or a game forfeiture. No captain or player can unilaterally do so without the consensus of the league master.
- h) All entire MATCH forfeitures and walkovers must be approved verbally by League Master, before either team can leave the match venue. Forfeitures without approval are subject to penalty (as mentioned above).
- i) If a team or player(s) is/are discovered to be intentionally losing their games so as to give advantage to the opponent team or to gain a preferential spot in ranking or to manipulate their rating, the league management will investigate the issue.

If found guilty, the team or player(s) involved will be disqualified from continuing in the league immediately including league finals or playoffs, regardless of position.

The game(s) in question will be voided and nullified to prevent the advantage from being given. Such player(s) will have a rating assigned based on past match statistics by League Management and will be expected to check in with the assigned rating. Such player(s) may also be ban for a period of 3-6 months from all DARTSLIVE SINGAPORE events and leagues. The league management cannot condone such display of poor sportsmanship by individuals which will bring all darts players into disrepute.

12. DISQUALIFICATION / DROP OUT OF LEAGUE

- a) If a team is disqualified or drops out from the league, regardless of reason, all members in the team will be banned from all DARTSLIVE events & not entitled to any league prizes, awards or refunds for a period of 6 (six) months.
- b) All previous games played by that team will be voided (0-0). This will affect other teams' rankings and may affect their standings.
- c) Disqualified team name and scores will still be visible in the league table, although ineffective.

13. GAME ACTIVATION & SEQUENCE OF PLAY

- a) All matches must be played in sequence as per each part, i.e. no skipping of matches. Each match must be determined with a winner before proceeding to the next.
- b) Any team player can activate the Online League Program for his/her own team by putting DARTSLIVE CARD in the respective slots (i.e. Slot 1 & 2 for Home Team; Slot 3 & 4 for Visiting Team) & inserting the game credits for his/her team.
- c) For all divisions, “Bulls-Up” applies to all games, except for games with fixed number of rounds such as COUNT-UP/ HALF-IT / SHOOTOUT, in the following order:

- 1st Step: Machine coin flip feature (Cork) first
- 2nd Step: Winner of cork proceeds with ‘Bulls-Up’, follow by opponent
- 3rd Step: Dart closest to the bull’s eye starts the game.

1st leg (Bulls-Up); 2nd leg (loser of 1st leg goes first); 3rd leg (repeat 1st – 3rd Step)

For games with fixed rounds for both teams (such as COUNT-UP/ HALF-IT / SHOOTOUT), the 1st step will determine who goes first.

*SURVIVOR will require “Bulls-Up”

- d) For Singles, the participating player will perform the bulls-up. For doubles or trios games, Captain can nominate any of the 2/3 participating players to perform the Bulls-Up
- e) Each player will throw until a dart sticks. If the 2nd player’s (Player B) dart causes the 1st player’s (Player A) dart to fall out of the board, a re-throw will be done in the reverse order, i.e. Player B go first, then Player A. (i.e. assume tie)
- f) If a tie exists, a re-throw by the same players will be made in reverse order of the previous Bulls-Up sequence, with the first 1 or 2 darts that have been thrown stays on the board.
- g) If both darts land on the Bull’s Eye, a hole count from the centre hole of the bull will determine the winner of the Bulls-Up.
- h) If 1st player’s dart landed on the center hole of the double bull, 1st player is to take out his dart and let 2nd player try. If 2nd player also throw onto center bull, refer to point 13f.

14. DART BOARD / TECHNICAL PROBLEMS

a) Scoring Mistakes

- i. The segment where a dart sticks establishes the score for that dart thrown. If machine displays a different score, teams must use the “Reverse-a-Round” feature to edit the score.
- ii. If the dart sticks but machines does not record score, teams must physically press the dart into the segment for the machine to register the score.
- iii. If a dart hits the board and immediately falls to the floor, the displayed score stands as it is, even if machine does not record any score.
- iv. In all situations where a player throws on a wrong turn, players must use “Reverse-a-round” to correct any score.

b) Internet Problem

i. Before Online League Game is Activated

- Shop will be given 30 minutes grace time to rectify the issue with ISP or DARTSLIVE Support;
- If internet can be rectified and up within 30 minutes, activate game as per normal.
- If internet cannot be rectified, the game will have to be started with manual scoresheet (note: manual scoresheet can obtain from shop owner, if not available, then download from www.dartslive.sg/league).
- Bust Rule does not apply in manual score sheet as both DARTSLIVE & TOUCHLIVE are unable to track rating since both machines are offline.

ii. After Online game has been activated, eg. middle of matches

- **DO NOT TURN OFF THE DARTS MACHINE**
- Take a Manual Score sheet to record now all the Results of each matches from Match 1;
- Inform shop owner about the internet problem immediately and ask shop owner to rectify issue with ISP or DARTSLIVE support;
- While the internet problem is being rectified, you can continue to play remaining game and record each match result on the manual score sheet;
- If the internet can be rectified before the 9th match is completed, all the results will be updated to the server accordingly.
- If NOT, both captains must sign the manual score sheet and home team captains have to fax the completed score sheet to DARTSLIVE immediately.

c) **MACHINE HANG or MALFUNCTION**

If the Darts machine hangs or malfunction (eg, color problem), in the middle of the game:-

- TURN OFF & ON THE MACHINE;
- If machine is ok after turn on, continue to play as follows. If machine still hang/malfunction after turned on, change to a new board and play as follows:-
 - > Press "P1" to restart the game;
 - > Re-slot both team players cards (players of the pending game);
 - > Continue with the game as shown on screen;

If no new board available, then change to manual score sheet system.

Please Take Note:-

The online system updates the server on a leg-by-leg basis, hence all un-completed games at the point the machine is being turn off & on, will not be considered and a new leg will have to be played accordingly as shown on the screen. Previous score will not be considered, regardless of the score results.

Note: Bust Rule and special award records do not apply to games played when machine is OFFLINE and/or on manual score sheet.

- (d) A protest must be filed as soon as possible, within 3 calendar days from the match date in question.
- (e) League Master will decide to accept or reject the filing of the protest/dispute case. In this situation, the League Master decision is final and no appeal can be made.
- (f) A protest may not be accepted if the problem is based upon the irresponsibility of the protesting Captain - lack of knowledge of the rules or failure to seek League Master's advice.
- (g) The decision of Panel of Judges is final; no appeal will be entertain thereafter.

17. DRESS CODE

- a) Positive media coverage, sponsorship and growth of the game are based upon 2 major factors – the professionalism of SUPER LEAGUE management team and the good conduct and appearance of the players. With this in mind, please adhere to the following dress code: -
