DARTSLIVE Co., Ltd.

Enjoy the most popular TouchLive games with iPhone!
iPhone application is now released

DARTSLIVE Co., Ltd (HQ: Shibuya, Tokyo, CEO: Shintaro Takaya, hereafter called “DARTSLIVE”), a company that operates services for DARTSLIVE commercial electronic darts machine, is pleased to announce the release of 6 popular games of “TouchLive” for iPhone and iPod touch application.

“TouchLive” is a touch panel game machine which utilizes the network system of DARTSLIVE.

“TouchLive” has obtained its popularity as a touch panel game machine which features unique functions such as communicating with players all around the country through its network and the usage of the IC card commonly used with “DARTSLIVE” which enables players to enjoy darts as well. Since the release in 2006, “TouchLive” has been familiar to the darts bars all over the country.

“TouchLive” is regularly installed 20 casual games such as puzzle and quiz games, which you can play by just touching the screen. This time, 6 popular games will be released as iPhone applications. Using the touch panel of iPhone will enable anyone and anywhere to enjoy the high quality which is by no means inferior to the commercial used games.

Above Apps can be downloaded free from App Store (※2) . Virtual coins used in the games can be acquired through conditions such as registering Twitter and recording high score. Users can also purchase coins at once in option (※admission-paid)

As iPhone has been increasing its popularity in and out of the country, we hope releasing these applications will create an access and an opportunity for more players to experience the enjoyment of “TouchLive”.
