## **DARTSLIVE INTERNATIONAL Ltd. Begins Service in Belgium!**

DARTSLIVE INTERNATIONAL Ltd. (HQ: Hong Kong, CEO: Steve S.K.Ngu), a subsidiary of DARTSLIVE Co., Ltd., has begun to offer DARTSLIVE service in the Kingdom of Belgium (hereafter Belgium) in February 2013. Belgium is the 11<sup>th</sup> country (3<sup>rd</sup> country in Europe) where DARTSLIVE INTERNATIONAL Ltd. rolled out the DARTSLIVE service following its business expansion into 10 countries in Asia, Europe and the United States.

Both soft tip and steel tip darts are widely played in Belgium. This country is known as one of the most darts-enthused countries in Europe.

Darts is enjoyed casually at places like bars in Belgium. At the same time, league matches where players seriously compete against one another are organized in many areas and some of the high-level darts players in Europe are emerging from this country.

We have started the service in southern Belgium and will accelerate the introduction of our latest networked electronic dart machine “DARTSLIVE 2” and associated services throughout the country. We continue our effort to deliver the enjoyment of networked darts that connects “people” to “people” and “heart” to “heart” across the border to players of all skill level.

As of March 2013, more than 10,000 “DARTSLIVE2” machines and DARTSLIVE services are introduced in approximately 3,800 locations such as darts bars all around the world.

DARTSLIVE Co., Ltd. continues its endeavor to create “Community Entertainment” that connects “people” to “people” and “heart” to “heart” across the world.
