- f) The final position as stated in the online league page stands as the final league standing result.

3. GAMES

3.1 Cricket

- a) In a game of Cricket, an Overkill situation occurs when a team is ahead by **200 or more points**. This means that no points are awarded even if the leading team hits a scoring number. As a matter of courtesy to your opponent, an Overkill situation is not advisable.
- b) In a TIE situation, where game ends at 15th round with both teams having the same score,
 - i. The player / team who closes all the houses wins the game, OR
 - ii. If all the houses are not closed, both teams will do a “Bulls-Up”, **follow the same sequence as the tied leg**. The team with dart closes to center bull will win the leg.
(Press P4 – Revise Winner and select Home Win or Away Win)

3.2 x01

4. HANDICAP

- a) Handicap will be given based on rating difference between players. Advantage will be given to the lower rated player for parity.

For example:

GAME: 501	Rating	Begin game with
Player 1	7	501
Player 2	6	471

- b) Handicap will be auto calculated by the online league system.

5. RE-RATE SYSTEM

League Management reserves the rights to re-rate players to maintain parity in the League System.

- a) The Re-Rate for all Players, all Divisions, will be done at the same time, regardless of the number of teams in each flight/division.
- b) There will be 3 Rounds of Re-Rate:

Example: SUPER LEAGUE

- i. 1st Round: After 3 to 4 weeks of games
- ii. 2nd Round: After Window Period
- iii. 3rd Round: After the last games are played

New Ratings will apply with effect from the next match after each Re-Rate is conducted. It is anticipated that total team points may increase after each Re-Rate.

Individual Rating Limit

Individual player rating cannot be **3 or more points** higher than registered/last Re-rate rating at any one time in the league season, else player will be immediately disqualified from the team.

Team Total Rating Limit

Total Rating Points (Total of 3(SUPER LEAGUE) / 2 (SUPER 2) highest rated players) after each Re-Rate Round cannot be **6 or more points (SUPER LEAGUE) / 5 or more points (SUPER 2)** (at any point) higher than the point-of-entry's Division's Team limit allowed.

Example:

Individual Rating Limit

Player's Entry Rating: **8**

Player's Rating after 1 Round Re-Rate: **11**

In this case, the player will be removed from the current team.

Team Total Rating Limit

S4 Division Entry Limit: **23**

Team Top* Rating after 1 Round Re-Rate: **29**

In this case, 1 of the Top 3 players have to be replaced to maintain the team Division limit to not more than 28;

New player can only be added during the Window Period.

Player who is removed from the current Season is allowed to re-join a different team in the current season and of a higher division at the Re-Rated Rating.

6. SANDBAGGING

A sandbagger is a player who:

- Intentionally submits his/her rating at the point of entry (or allow to be submitted) at a much lower rating than his/her actual rating OR
- Manipulates their game average (e.g. by throwing outs or intentional missing) to lower their rating, in order to gain advantage by way of handicap score or ranking position.

Such action demeans the game, shows poor sportsmanship and damages the reputation of the League and all its players.

- a) **Team Captains** are responsible to verify that his/her team members' ratings, as reported in the league, are accurate at all times;

Although the player will be immediately removed from current league season, the player may remain in other ongoing league(s) (where applicable), subject to re-rate to *true rating and provided *true rating is within allowable division limit;

**true rating = rating at point of discovery*

- ii. All games played by the offending player will be reversed accordingly to the point of discovery of this offence: -
 - > During 1st half of the season OR
 - > During 2nd half of the season OR
 - > During window period, all games played by the offending player since window period;

- h) All team captains are reminded to take note of their team players league rating. If found that their performance has improved above registered rating/league rating, **either the captain or the player should and can request for a rating adjustment any time during the season.** This will avoid/prevent the player from being penalised for sandbagging.

- b) All players are allowed a 6-darts warm up before commencing game
- c) For a thrown dart that sticks on the board but fails to score, the Opposing Team's Captain will score that thrown dart manually by pressing on the segment in which the dart is stuck to.
- d) If a player scores on another player's turn other than his/her own turn, use reverse-a-round to eliminate the incorrect score
- e) If a player scores on a teammate's turn and the opponents throw and score before the error is noticed, the score stands. However, in the next round, the offending team will exchange the player who was skipped for the player who scored out of turn. After the correcting round, the offending team will return to the correct sequence of players.
