

## SUPERLEAGUE Season 3 rules Addendum for GLOBAL LEAGUE

The follow rules will be modified when utilizing the GLOBAL LEAGUE system to play SUPERLEAGUE Season 3. The section is listed with the changes noted. GLOBLA LEAGUE will be limited to 1 team per location per division. There are no exceptions to this rule. If you have multiple teams, those teams can play in separate divisions.

### **Section 4 General Rules**

Change Button will only need to be pressed if all 3 darts do not score, player change is automatic in GLOBAL LEAGUE.

### **Section 5 Order of Play**

The GLOBAL LEAGUE System will automatically select which team starts first, there is no option for cork at this time.

Final Leg will be loser goes first regardless of score, the GLOBAL LEAGUE system does not allow for a cork at this time.

### **Section 6 Game General Rules**

There is no option for Freeze in GLOBAL LEAGUE at this time.

There is no option for Medley in GLOBAL LEAGUE at this time.

### **Section 7 Cork**

GLOBAL LEAGUE currently does not allow for a cork, the system will automatically select who team will start.

### **Section 8 Incorrect Scoring by Dart Machine**

GLOBAL LEAGUE does not allow for scoring to be corrected. The machine is deemed correct no matter what the dart scored. If there is an ongoing issue with the dart machine, then move to another machine in that location and resume the game.

### **Section 9 League Play**

Line ups will be created on a game by game basis. The GLOBAL LEAGUE system will only display the team's lineups once both teams have entered the player cards into the machine and the point cap is met.
