### SUPER LEAGUE SEASON 4 GAME RULES

#### Player Eligibility:

- Player must be rostered on current team
- Player must have played in 40 or more games with current team
- Players that change teams will not be able to take played games with them for FIESTA consideration.

#### Substitution Rule:

- A team can add only 1 substitute during FIESTA
- If the sub can no longer play, another sub cannot be added
- The sub must be equal or lower in rating of player the sub is replacing
- Once a player is replaced by a sub, that player can no longer participate on that team during FIESTA
- The sub must have played 40 or more games on an individual team to be considered eligible
- Subs can be added to a team prior to the first match, once started no substitutions can be made
- If a team is short a player and either chooses not add a sub or cannot find a sub, that team may play their match shorthanded and choose to skip the missing player's turn
- Once the missing player arrives, that player may join the team at the beginning of the next leg
- Once the Round Robin round has begun – there are no roster changes
- Teams advancing to the finals will only be allowed to use the rostered players from the round robin
- If a player was rostered on the team, but did not participate in the round robin and was not replaced by a sub, that player is still eligible for the finals
- Any player rostered on two teams must choose the team in which they will play for
- A player can play on their other team only if the team that player chose team is no longer in the tournament and they have not been replaced by a sub
- A player on multiple teams cannot play on the other team if the team that they chose to play the round robin is still in the tournament
- A player can only play on 1 team at any given time, players will not be allowed to play on two teams simultaneously.
